Forecast for Monday 06 Nov 2023

Weather: Most of the day will be dry with sunny periods. Cloudier across the southern Perthshire hills at times, perhaps with a light shower. Scattered showers will extend eastwards from late afternoon into the evening across the south of the area.

Chance of cloud-free hill tops above 800m: 70%, best chance in the north and east

Low Cloud and visibility: Very good visibility outside of cloud. Patchy cloud between 600 and 900 metres, this most prevalent across the southern Perthshire hills. Low cloud becoming more extensive across the south as rain arrives later.
